

COUNTY OF LOS ANGELES – DEPARTMENT OF HEALTH SERVICES

IMPORTANT NOTICE

On August 20, 2002, the Los Angeles County Board of Supervisors approved the Los Angeles County Department of Health Services' (DHS) Strategic Plan to restructure the DHS health care delivery system. Therefore, starting September 1, 2002, the Community Health Plan (CHP) primary care sites listed below, and providers located at them, will no longer accept new CHP members. These clinics will be closed effective October 1, 2002. So, starting now please do not pick any of these sites to get health care. If you do, we will have to assign you to another CHP provider.
